

Grooming Policies

Thank you for choosing *West Chester Pet Resort's Grooming Services*. We provide professional, quality grooming & styling for each of our clients. Please read our policies and sign below to acknowledge that you have read and understand them.

Check-In Procedure: At the time of check-in for your pet's groom we will provide you with an estimate that will be a baseline for your groom/styling/bath, any vaccinations or tests that need to be updated, anesthesia for grooming services, additional services, etc. ***This will only be an estimate additional costs could apply – our grooming prices start at \$43.25.*** Should your pet's coat require more attention than anticipated we will charge for the time required to meet your request. The Groomer will call you to let you know that additional time is necessary or give you other options. You will also need to leave TWO contact numbers for the Groomer to reach you on. Should the Groomer have questions about your directions/instructions she will need to be able to reach you, please be sure the number you provide is available to you throughout the day. She will also call you once your pet's grooming and styling is complete. Should your pet require anesthesia for grooming we will request your authorization for those services on each estimate.

Vaccines/Tests:

WE REQUIRE PROOF OF CURRENT VACCINES ADMINISTERED BY A VETERINARIAN. Vaccines required for dogs are 1 and/or 3 year Rabies and DHPP-C (includes Distemper and Parvo), 1 year Leptospirosis and every six months Infectious Tracheobronchitis vaccine and a negative fecal exam. Annual vaccines required for indoor cats are Rabies, FVRCP, and a negative fecal exam as well as proof of a negative FELV/FIV test; any cat that goes outdoors MUST have an annual FELV/FIV test, FVRCP, FELV, negative fecal exam and Rabies. If your dog or cat is not current on any of these vaccines, our staff will be happy to send them to our Veterinarians on site and have them vaccinated at an additional charge. By state law we are required to perform physical examinations on all pets requiring vaccines. If we administer vaccines you will be charged for an office visit (\$40.00) as well as the needed vaccinations/test.

As a professional courtesy we do reminder calls 48 hours in advance of all grooming appointments. ***It is the owner's responsibility to make sure that proof of current vaccines is on file with the Resort at the time of admission.*** If vaccinations have been administered/updated at another veterinary hospital please have them faxed to us at 748-5851. If your veterinarian is closed at the time of admission and proof of vaccinations is not on file, the vaccinations will be brought current at the time of check-in and the owner will be charged accordingly.

Internal/External Parasites: All pets must be free of all parasites. If fleas or ticks are found, the pet will be treated at the owner's expense. If a pet is found to have internal parasites via fecal exam or discovered after the pet has defecated the pet will be treated accordingly and the owner charged for the appropriate medical services/medication. We will make every attempt to contact the owner should either of these cases occur, but please be aware in order to keep our facility free of internal/external parasites all guests will be treated should parasites be found.
